Dear (person's name):

As you may know, I (we) have decided to partner with (school's name) for (child's name) education. I chose this school because the staff are highly qualified, the academics are outstanding, and the "good character" emphasis will help prepare (child's name) to be all that (he/she) can be.

Because finances are an important consideration, I am asking you to consider participating in the Arizona Private School Tax Credit Program. You can make a contribution to a School Tuition Organization (STO) and Recommend (child's name) as the recipient. When you file your taxes, the state of Arizona will grant you a dollar-for-dollar tax credit. If you have already paid your full tax liability through your paycheck withholdings, you will be reimbursed by the state. The STO that I work with is AZ4Education, because they are knowledgeable and provide me with friendly personal service.

AZ4Education has a very helpful website, <https://www.az4education.org/>, that can answer any questions you may have. If you don't find an answer there, I know that they will be more than helpful with a simple phone call at (480) 478-0624.

Just so you know, (child's name) tuition at (school name) is (\$7777) per year. Private schools don't get a dime from state or federal funds. All costs for the school's operation must come from tuition and donations. Won't you please consider making this dollar-for-dollar tax credit contribution soon?

To make a contribution, please go to [www.az4education.org/donate](http://www.az4education.org/donate) . To make this a student recommendation, select the "Student Fund" where it says "Redirect My Taxes To". Then enter (child's name) and select (school name) to make a student recommendation.

Thank you so much!

Sincerely,

[If they had donated for on behalf of child.] PS. We thank you for your generous gift in the past, (child's name) really enjoys has thrived at school's name).
